### DISCLAIMERS

#### **Medical Advice Disclaimer**

For general informational purposes only. Not intended to diagnose or treat any condition, illness or disease. Content from this site or connected social media channels is not intended to be used for medical diagnosis or treatment. As health and nutrition research continuously evolve, we do not guarantee the accuracy, completeness, or timeliness of any information presented on this website. Please consult with your physician before starting any new fitness regimen or medication as well as making any changes to your clinical treatment plans.

#### **Professional Advice Disclaimer**

For general informational purposes only. Nothing on this site is intended to be financial, legal or medical. Please consult with a licensed professional in their field of expertise in your jurisdiction.

#### **Results Disclaimer**

As with any consult service, your results may vary, and will be based on your individual capacity, experience, expertise, and level of motivation. There are no guarantees concerning the level of success you may experience. The testimonials and examples used are exceptional results, which do not apply to the average purchaser, and are not intended to represent or guarantee that anyone will achieve the same or similar results. Each individual's success depends on his or her background, dedication, desire and motivation.

There is no assurance that examples of past achievements can be duplicated in the future. We cannot guarantee your future results and/or success. There are some unknown risks in wellness that we cannot foresee which could reduce results you experience. We are not responsible for your actions. The use of our information, products and services should be based on your own due diligence and you agree that neither us nor our parent company, nor any advertisers / sponsors of this website are liable for any success or failure of your health journey that is directly or indirectly related to the purchase and use of our information, products and services reviewed or advertised on this website.

#### **Testimonial Disclaimer**

These examples are not typical. Because of the variables associated with defining success, and because those variables are so personalized, it is impossible to accurately state what an

individual may or may not achieve. Success is determined on an individual basis and is dependent on a variety of factors including willingness to take action and implement ideas based on what is taught, prevailing market conditions, target market selection, and the amount of hard work and effort an individual expends. The customers depicted in any testimonials have declared that the information shared is true and accurate of their experience. The written, audio and visual presentations offered may have been edited from their original versions. Some personal and private information has been removed in order to protect privacy.
